_____ **Lessons are 50 min long.** That includes dance lesson and scheduling.

_____ If you need to **reschedule** your lesson, let us know as soon as you can. If you cancel the day of let us know ASAP! If you cancel **3 hours or less** before your lesson, there is a **1 lessons charge**.

_____ Because of the nature of the dance business, if you don't reschedule a lesson after **3 months**, there is no guarantee of money back or your full lessons. For each month of no call, no show or no reschedule, there is a **lesson marked down**. We will try to use lessons smoothly and at a consistent pace.

_____ To progress in your dancing you will **need to practice**. The more you practice, the better you get. We encourage that you attend group classes and social dances.

_____ Close contact, intimate dance moves, advanced tricks and lifts will only be taught to students that have a dance partner dancing with them or to couples.

**Thank you for signing up for dance lessons at Yapple's Ballroom.
Our goal is to bring the joy of dance to our community, gain friendship through

**We want our studio to be a positive experience that will teach you and help you
grow to be more aware of yourself.**
